

## DISASTER FORUM 2017

### WORKING TOGETHER TO BUILD CAPACITY

#### FIRST POSTER COMPETITION!!

Do you have new ideas, management strategies, research findings, or novel advances in the field of emergency management that you want to share with Disaster Forum attendees? Would you like an opportunity to speak one-on-one with fellow emergency management professionals about your work? Apply to present a poster in the first Disaster Forum Poster Competition!

Presenting a poster will allow you to:

- Share your experiences as a risk management professional with a diverse group of conference attendees.
- Network with other conference attendees in an informal and interactive setting.
- Share your knowledge using a visual format.
- Invite discussion and answer questions from those interested in your work.
- Explore the possibility of getting funding for the registration fee from your organization, as a presenter.

Note: All posters must be on 3' x 4' poster board.

If you are interested in presenting a poster at the conference, please submit your concept **no later than December 31, 2016** to:
